THE RECTORY

Memorial Church of St. Paul

6347 WOODBINE AVE., OVERBROOK, PHILA., PA.

As the new Church building is nearing completion, the Vestry submit the following concerning the renting of the pews.

After much careful thought they have fixed the rents as shown on the enclosed plan.

According to the By-Laws rents are payable in advance quarterly, semi-annually or annually, at the option of the renter.

The plan of renting the pews which has been determined upon in order to ensure absolute impartiality is as follows:—

Individuals desiring pews or sittings will kindly indicate their first, second and third choice in the spaces provided on the back of the plan and sign it with their name and address. Applications must be sent to the Rector in the enclosed envelope, and *will not be received before Monday, November 13th.* The envelopes will be numbered as they are received. When a number of envelopes are received in the same mail they will be numbered consecutively by chance. The envelopes will not be opened until *Monday, November 20th.* Every effort will be made to allot to each applicant the desired pew or sitting, and due notice of the assignment will be given. If any applicant desires more than one pew, the desire must be indicated accordingly on the back of the plan.

Of course, if several people apply for the same pew, the first application must be given the preference. Therefore the necessity for a first, second and third choice is apparent.

If there are special reasons why any particular pew should be allotted to any applicant, they may be endorsed upon the plan and will be given due consideration.

In view of the fact that there may be some who desire to rent one or more sittings, the following schedule has so been prepared for their benefit, but preference will be given to applications for entire pews:—

SITTING RENTS.

In pews 13 to 20 inclusive	$18 00	per sitting	per annum.
" 21 " 28 "	15 00	"	"
" 29 " 40 "	10 00	"	"
" 41, 43 and 45	8 00	"	"
" 47 and 49	12 00	"	"
" 51 " 53	15 00	"	"
" 60, 62 and 64	12 00	"	"
In pew 66	15 00	"	"

The Vestry desire that every person interested in the Church should be provided with a sitting, and they earnestly hope, if this circular be not entirely clear, or if there be any question concerning the matter, that there will be no hesitation in discussing the subject with the Rector or any of the officers of the Church.

The endeavor is to meet the desires and circumstances of the congregation, to give a wide range of choice in the matter of rentals, and at the same time to provide for the necessary revenue.

With very few exceptions, the pews of the Church are all well located.

Copies of this circular may be had by applying to the Rector, Wardens or Vestrymen.

For the Vestry:

CYRUS TOWNSEND BRADY, Rector,
EDWARD BROOKS, Rector's Warden,
JOHN E. PAYNE, Accounting Warden,
EDWARD G. McCOLLIN, Secretary,

OVERBROOK, October 18, 1899

To the Members and Friends of the Parish:

The Rector, Wardens and Vestrymen of the Church have been deeply gratified within the past few months by gifts of a number of beautiful articles necessary to the furnishing of the new Church Building. They have also learned that other friends of the Church are desirous of making like presentations by way of memorial or otherwise, of such articles of furnishing or of decoration as have not yet been provided.

For the sake of meeting the inquiry of those who contemplate such gifts and for the purpose of informing the members of the Parish and its friends of what has already been so generously given to the Church, this communication is addressed to them.

Should any further information be desired recourse may be had to the Rector.

Very respectfully

Fragrant odors round Thee spreading.

No. 7 Psalm 42 — Allitsen

Like as the hart desireth the water brooks, so longeth my soul after Thee, O God.
My soul is a-thirst for God, yea, even for the living God.
Ah! when shall I come into the presence of God? My tears have been my meat day and night, while they daily say unto me, "Where is now Thy God?"
Why art Thou so full of heaviness, my soul, and why art Thou so disquieted within me?
O put thy trust in God, for I will yet thank him, who is the help of my countenance and my God.

Comfort ye my people, saith your God: speak ye comfortably to Jerusalem, and cry unto her that her warfare is accomplished, that her iniquity is pardoned. The voice of him that crieth in the wilderness, "Prepare ye the way of the Lord, make straight in the desert a highway for our God."

ARIA

Every valley shall be exalted, and every mountain and hill made low; the crooked straight and the rough places plain.

No. 6. The 23d Psalm — McCollin

The Lord is my Shepherd; I shall not want.
He maketh me to lie down in green pastures; he leadeth me beside the still waters.
He restoreth my soul; He leadeth me in paths of righteousness for His name's sake.
Yea, though I walk through the valley of the shadow of death, I will fear no evil; for Thou art with me, Thy rod and Thy staff, they comfort me.
Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil; my cup runneth over.
Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.

OVERBROOK, April 15, 1905

Easter Day Collections

As many are aware, the special effort of the Vestry during the past year has been to raise the balance of $3500 required to pay off the mortgage upon the Parish House, in order to meet one of the conditions imposed by the donors of the Fund for the enlargement of the church edifice. This effort has been successful, and the mortgage will shortly be paid off from moneys now in hand and pledges payable on call.

There remains, however, the deficit in current expense account to which it has been the custom of the Vestry for several years to apply the proceeds of the Easter offertories. As has been heretofore stated to the Parish, the amount annually required to meet the current obligations of the Parish, such as salaries, music, light, heat, repairs, improvements, etc., and the assessments made upon it by Diocesan authority for the support of Diocesan Missions, the Bishops' salaries, etc., exceeds very considerably the yearly receipts from pew rents and regular collections, and this cannot be avoided with the present pew and sitting capacity of the church. The shortage thus created, and gradually accumulating for the past two years, now amounts to about $1500, and must be provided for in order to insure the speedy carrying forward of the contemplated enlargement, which is so essential to the needs of the growing community and to the proper expansion of the activities of this church.

The Vestry has therefore decided, as in the past, to devote the coming Easter collections to this purpose, and urges every one interested in the Parish to give as liberally as his or her means

may permit, in order that the full amount required may be secured at Eastertide. While the sum thus asked for is large, nevertheless, in view of the fact that the Easter collections two years ago amounted to $1600, the hope is confidently entertained that, with the same effort that was then made, the sum needed this year may be realized.

Checks should be made to the order of "The Memorial Church of St. Paul, Overbrook," and mailed to Mr. Edward G. McCollin, Accounting Warden, No. 514 Walnut Street, Philadelphia.

AT a meeting of the Vestry it was unanimously decided to readjust the pew ratings, to take effect January 1st, 1913.

¶ In making this readjustment of pew rentals, as shown by enclosed plan, it has been necessary to increase the rating of some of the pews and decrease others, taking into account the number of sittings in each pew, and its location.

¶ The Vestry believes the readjustment is equitable and it is hoped that those affected by an increase will bear in mind that the revision has been rendered necessary by our increased expenses.

¶ By order of the Vestry,

NATHAN H. DAVIS,

Accounting Warden.

OVERBROOK, APRIL 3, 1909

To the Members and Friends of the Parish of
The Memorial Church of St Paul, Overbrook

Easter Day Collections

Since the beginning of the present fiscal year, beginning May 1, 1908, the Collections (not including the Communion Alms, which are dispensed by the Rector) have amounted to the sum of $2842.28, of which practically one-half, $1399.54 have been expended for purposes outside of the Parish, including Foreign and Domestic Missions, Episcopal Hospital, the Episcopal Fund, the Sustentation Fund, Diocesan Missions, etc.

The Collections which were had specially to meet the assessments made upon the Parish by the Diocesan Convention, for Diocesan Missions, etc., failed to yield the required amount by $179.95, which sum therefore had to be paid out of the general funds of the Parish. So much of the Easter Collections as may be necessary to return this amount to the Treasury will therefore be in effect a contribution to Diocesan Missions and other purposes outside of the Parish.

The remainder of the Collections for Easter Day, will, as heretofore, be appropriated to the general maintenance fund of the Parish, the current charges against which are in excess of those of previous years, and are likely, it is estimated, to be still further increased during the coming year.

Envelopes are herewith enclosed for those who may desire to use them in accordance with the directions printed thereon.

Checks should be made to the order of "The Memorial Church of St. Paul, Overbrook," and mailed by those who may not be present at Easter Day services, to Mr. Edward G. Mc Collin, Accounting Warden, No. 514 Walnut Street, Philadelphia.

MEMORIAL CHURCH OF ST. PAUL
OVERBROOK, PHILADELPHIA

OFFICE OF THE RECTOR
LANCASTER AND OVERBROOK AVES.

March 29th, 1926.

For some years past it has been the policy at the Memorial Church of St. Paul to apply the Easter offering to the liquidation of mortgages which have existed against certain portions of the property of the Parish. The indebtedness has now been liquidated and the Vestry has decided to apply this year the Easter offering both loose and envelopes to its subscription to the "Diocesan and General Church Budgets". Sums so contributed are used by the Diocese for the general support of the missionary work of the Church in this country and abroad, and on approximately the following basis:

46% is spent within the Diocese for various religious and charitable purposes such as the support of Parishes not entirely able to maintain themselves, for racial work and for institutions such as the Episcopal Hospital, City Mission, etc.

Approximately 54% is sent to the General Church in New York and is there applied roughly, one-half for expenses, missions and other domestic Church work, and one-half for work in foreign fields, the latter including religious work and such utilitarian work as schools, hospitals, etc.

The Diocese has this year asked the Memorial Church of St. Paul to undertake to contribute up to $10,000 for the "Diocesan and General Church Budgets" (this is approximately the same amount requested for 1924 and 1925) and we have signified our intention to try to meet this amount. In order to provide for this undertaking and for our own operating expenses we will require funds in addition to those already pledged.

A study of the work carried on in other Parishes whose people are perhaps less fortunately situated than we are shows that large sums have been raised for the Easter offering especially where this offering has been applied to missionary and other Church work.

The Vestry desires to urge all members of the Parish and others who participate in our services to be especially generous in the matter of their Easter offering. If everyone will on Easter Day contribute to their utmost the amount of the offering on that day should go a long way toward enabling us to meet our undertaking of $10,000. The sum to be contributed Easter Day should be regarded as an addition to the amounts already subscribed, otherwise a large offering on Easter Day will not aid us in our financial problem.

It is not necessary in our Parish for those who are already giving as much as they can possibly afford to further burden themselves but it is undoubtedly true that the great majority of our people can afford to give sums largely in excess of the amounts which they are giving and we believe that a study of the wide range of purposes for which the money contributed on Easter Day will be used will lead to an Easter offering far larger than any we have heretofore had.

Sincerely yours,

THE VESTRY
